Re: School Closure - Bulletin #3

Date: May 6, 2008

\*\*\*\*\*

On March 13, 2008 the Registry of Motor Vehicles (RMV) notified parents/guardians and former students of Advantage Auto School that the RMV was working towards providing up-to-date information regarding school closures on the RMV website ([www.mass.gov/rmv](http://www.mass.gov/rmv)). That process has been completed and can be found in the *Teens & Parents* section under the heading *Out-of-Business Driving Schools - Consumer Information and Updates* (<http://www.mass.gov/rmv/jol/schoolcloseupdates.html>). This section provides all bulletins mailed to parents and students regarding their schools closure, and the status of claims for restitutions against schools that have closed.

Students can help accelerate the claims process by submitting requested documentation to the RMV as quickly as possible, and by checking the website to determine the stage of their claim. Please note that the information on the website will be updated when, and only when, there is new information available. If there is no new information for a period of time, this simply means that that stage of the claims process is not yet complete.

The latest update posted on the website regarding Advantage Auto School is as follows:

*03/14/2008 – Bulletin 2 informed parents and students to contact their credit card company for reimbursement if payment was made by credit card, or submit copies of payments receipts directly to the RMV if payment was made by cash, check or money order. The deadline for submitting documentation is July 31, 2008.*

Documentation may be forwarded to the following address:
